Subject Activity Report Week Ending 5/17/87

1. Received copy of Charter Party Agreement from Lonestar originally requested 4/17/87. Unloading rate is 2,000 tons/day. Demurrage is \$4,000/day.
2. Met with Orient Trading Co, PNI Insurance representatives and Lonestar Industries representative in attempt to begin the damage claim for the contaminated cement. Much misunderstanding about the marketability of the cement. My position is that the screened product not merchantable cement. Others presume that because Kaiser sold this stuff AGCW is going to. The insurance company, expecting a claim for additional labor is shocked to hear the claim is \$300,000.
3. Attempted to file application for Superior Quarry Permit. Fee was miscalculated by county worker and it would not be accepted. Will try Monday.
4. DMA here to assess property tax base and report to Mr. Wheeler.
- 4/17 5. CPR refresher classes held for all employees.
6. Lonestar confirms that a ship has been booked to load 21,000 tons cement at Ube May 25 - May 30. Inventory space may not be available on arrival.
- 4/17 7. Canada <sup>La Farge</sup> <sub>La Farge</sub> has started its second kiln.
8. Met with Stoneway to discuss Du Pont and waterfront conveyor feasibility.
9. Met with Mr. Wilson of LSI to discuss feasibility of additional F.K. pump at West Terminal. We agree it is feasible. Mr. Wilson will report this to LSI
10. No Accidents. Visitors: Yourselfs, Mr. Mahorney.
